ABOUT THIS VENUE

The Olive Theatre is a venue with exceptional acoustics, formerly a Ster-Kinekor cinema. It offers superb sound, certified 2-ton hanging points, and in-house lighting over 1,000 lux, making it ideal for conferences, indoor sports, concerts, comedy shows, and other live events. The space features a built-in stage, VIP gallery, raked cinema seating, and multiple breakaway meeting rooms.

The hanging points to be specified as to what load client can be accommodated for, Load test by engineer should be done to determine allowance available.
